

WHY BECOME A CASA REPRESENTATIVE

We connect

First we will give a brief introduction of CASA:

CASA is dedicated to serving the higher education community and in providing unique and reliable services to students desiring to study in China and around the world.

As part of the CASA team, we are highly motivated to provide the best services to students from all over the world. We also have good contractual relationship with many polytechnics/colleges, universities to enable students pursue their studies in good condition as well as to pursue their dreams.

Why become a CASA Representative?

You can become a CASA representative for the following reasons:

- **CASA Is Professional. It's been in existence for 10 years now and it's solely known for its unique and dedicated service to provide students with the best offers to study in China and around the world. Currently, CASA has become the biggest platform to apply for scholarships and admissions in China and in the coming years we aspire to be the biggest in the world. Also, the CASA Representative platform has been launched and more individuals have joined the platform to help extend the cooperation with CASA. In view of this, for future perspectives, the CASA Representative platform will be purposed for individuals and companies to expand their business of sending students not only to China but around the world.**
- **You Can Make Profit. As a CASA Representative, you can easily make your profit or get your commission within the shortest time after the student has been accepted and registered at the university. With CASA, there are real time update of the best university lists and scholarship**

offers as well as highlighted featured programs specially offered to CASA Representatives for application.

- **You Will Enjoy Easy Procedure.** The CASA platform has been designed for all to use, whether you are an individual representative, company representative, a student, worker, you will always find our platform and the procedure very easy to use and to follow. To have access to CASA as a Representative, you can download the CASA app either on your phone or laptop; and with access to internet, you can submit your application, pay application fee and withdraw your commission online.
- **You Will Enjoy Fast Experience.** With CASA and as a Representative, you will enjoy fast experience because in one website you can check for all the information and have direct discussions with the CASA Marketing team and Counselors and also find support with them. Our application process is very fast and easy to follow and within few minutes, you can submit the application on our system and receive feedback in few hours depending on the working time. You will as well receive your commission right after our confirmation and the admission team will keep track of your application status and from time to time, feedback will be sent regarding your application status.
